

LIVE.LONG.DC RESOURCE MAP

This interactive map provides information about Opioid-related resources and services available in the District.

- To select a Ward, click on a specific number on the map, numbers 1-8
- A window will pop up allowing you to view the resources available in that Ward
- Click the X at the top of the Ward selected to exit and return to the District map
- A legend of resources is available at the bottom
- Ward zip codes are listed on the right
